

Special Appropriations Service Area

FY 2012 Total County - \$387,351,489

FY 2012 Special Appropriations - \$1,539,542

OPERATING GOALS AND OBJECTIVES:

The Special Appropriations Department provides funding in a variety of service areas. The funds provided in this department are Federal and State grants as well as County contributions to outside agencies. Federal & State grants provided in Special Appropriations are "pass-through" allocations. Although several agencies provide services that are part of the core functions of County government, others like the Arts Council provide optional services to distinguish Forsyth County as an attractive place to live, work, & visit.

- a. Create a community that is safe.
 - Special Appropriations funds agencies such as Exchange SCAN and Family Services Battered Women's Shelter which seek to address children's and women's abuse issues.
- b. Create a community that is healthy.
 - Senior Services operates the Meals on Wheels Program to offer nutritionally balanced meals to older adults.
 - Partnership For A Drug Free N. C. provides assistance to juveniles seeking to address mental health issues and overcome substance abuse.
- c. Create a community that is convenient and pleasant.
 - The Arts Council provides performances, training, exhibits in the arts, and grants to arts/performance organizations.
 - The Neighbors for Better Neighborhoods Program helps lower-income communities to become more convenient and pleasant for the residents.
- d. Create a community with educational and economic (and justice) opportunities for all.
 - SciWorks Nature & Science Center provides science and math education in a fun environment for children and adults.
 - Experiment in Self Reliance provides training, counseling, job search and emergency housing for low-income County residents.
 - NW Child Development provides affordable daycare centers to help ease the demand for this valuable service.
 - Communities In Schools provides after school programs.

Special Appropriations

MISSION STATEMENT

To distribute Federal, State and County funds to appropriate agencies within Forsyth County.

BUDGET HIGHLIGHTS

The Special Appropriations FY 2012 total Recommended expenditure budget decreases \$1,266,969 or 45% from the Current Year Original. Revenues in Special Appropriations are recommended to increase \$17,468 from the CYO. All of the revenue decreases and increases are offset with matching changes on the expenditure side.

Overall, these changes will result in a County dollar decrease of \$1,284,437 or 73% from the CYO. This decrease in County dollars is attributed to the ending of the hospital repayments for the Greene Hall expansion at Forsyth Technical Community College, City/County funding, and a recommended 10% reduction in County funded agencies. The 10% reduction can be found in the Alternate Service Level document, page 13.

The Requested column includes proposed funding for five (5) new agencies and increases for several agencies that currently receive County dollars.
