Fee Schedule

The fee for suppression systems review is \$50.00.

Other Information

Plans are reviewed on a first-come, first-serve basis. Re-review will be treated as a first submit. Depending on the workload, the review could take up to two weeks to complete. The holder of this permit may contact the Fire Marshals Office at 336-703-2550 for information regarding supervision of inspectors, an internal review of permits and the local appeals process.
