

# Environmental Career Day

## Who can attend?

High school students who are considering majors related to the environment are encouraged to attend. Space allowing, middle school students may also attend. All parents and chaperones are welcome, but not required.

## What happens at Environmental Career Day?

You will have the opportunity to:

- Engage in hands-on activities
- Attend a Majors Fair to explore environmentally-focused career paths
- Meet and interact with current students
- Learn about the admissions process and requirements
- Attend alumni and current-student panels

**Questions?** For questions about this event, contact Alex Loflin at 919-515-8659 or [cnrrecruitment@ncsu.edu](mailto:cnrrecruitment@ncsu.edu)

March 23, 2019  
8:30am-1:30pm

2720 Faucette Drive  
Jordan Hall Addition, NC State  
Raleigh, NC, USA

## Choose one of three environmental career tracks for the day:

- Track **1** focuses on **Field and Outdoor** related careers
- Track **2** focuses on **Engineering and Innovation** related careers
- Track **3** focuses on **General Sustainability** for attendees who are undecided about their environmental careers
