Family Emergency Plan

FEMA

Make sure your family has a plan in case of an emergency. Before an emergency happens, sit down together and decide how you will get in contact with each other, where you will go and what you will do in an emergency. Keep a copy of this plan in your emergency supply kit or another safe place where you can access it in the event of a disaster.

Tornado Shelter Safety

IN A STRUCTURE

- Go to an interior safe area on the lowest floor
- Use arms to protect head and neck
- Do not open windows!

IN A MANUFACTURED HOME

- Get out immediately!
- Go to a sturdy, nearby building or storm shelter
- Mobile homes offer little protection

NO SHELTER AVAILABLE

- Drive to the closest sturdy shelter
- If your car is hit by flying debris, get to a low lying area and cover your head
- Do not get under an overpass or bridge!
